

## Died

Seph Staackle, age 74 years, died at his home in Crystal City, on Friday, March 4th, 1921. Mr. Staackle was born near Zell on December 4th, 1846 and lived on a farm in Ste. Genevieve County, until he moved to Crystal City. He is survived by his wife, Mrs. Regina Staackle, nee Grass, eight sons and one daughter and two brothers and one sister, Frank J. Staackle of Crystal City and Henry Staackle and Mrs. Thomas Ehler of Ste. Genevieve. The funeral occurred Sunday at 2 o'clock p. m. from the Catholic Church in Festus to the Crystal City Cemetery.

## School Notes

On Wednesday evening, March 9th, the last number of the Lyceum Course was rendered at the Public School Auditorium by the June Elliott Concert Company. The musical numbers presented were certainly appreciated as they were rendered by such capable persons.

The High School Basketball Team departed for Cape Girardeau on Thursday morning to take part in the Athletic Tournament. They were accompanied by Mr. Danuser. "Our boys" have lost but two games this season and we trust the Tournament proves a success to them.

Several of the boys of the Agriculture Class are prepared to spray trees. This is the season and the boys are willing to do it at a reasonable price.

The different classes are preparing exhibits of their school work for the exhibit to be held the last week of March.

That Southeast Missouri can justly lay claim to the most prolific crops on earth was again demonstrated March 3rd when twin baby girls were born to Louis E. Penberthy and his wife, Anna May, of Bismarck, Mo. The combined weight of the twins is 19½ pounds and their advent makes seventeen children for the family. Penberthy is 45 years old and his wife, 41, and they have been married twenty-two years. They live on a farm near Bismarck. This is the first set of twins, all previous births being single.—Globe-Democrat.

Frank Vannelt and Ella A. Poppert of Modoc, Ill., were married in Ste. Genevieve Thursday morning, March 10, 1921, by Justice of the Peace Joseph H. Vorst.

America's contribution for the relief of starving Chinese has reached the sum of \$2,710,758. The relief committee is still soliciting.

Miss Mildred Rutledge, accompanied by Mrs. Hugo Homberg, of St. Louis, arrived here last Thursday night and remained until Sunday evening visiting her parents, Dr. and Mrs. G. M. Rutledge.

## Washing Machine Factory Meeting.

A meeting was held at the Court House Monday night, at which Mr. Henry of St. Louis, one of the men interested in the establishment of a new patent Electric Washing Machine Factory in Ste. Genevieve was present and explained the proposition which the company is offering to the people to subscribe for the amount of money required as soon as possible if they wanted the factory located here.

A number of subscriptions were received at the meeting and we were informed that the amount pledged up to the middle of this week was within \$1,500.00 of the amount required. Solicitors are out soliciting subscriptions and if Ste. Genevieve wants the factory the required amount, \$15,000.00 will have to be pledged at once, so that the company can go on with its preliminary work.

The signers of the petitions agree to pay to the Commercial Club the amount set opposite their names, said amounts to create an available sum of \$15,000.00 to be used for the purpose of establishing an Electric Washing Machine Factory in the city of Ste. Genevieve (or in the immediate vicinity thereof.) In the failure to secure the establishment of the factory in Ste. Genevieve or vicinity all the money paid will be returned to the subscribers. After the factory has been in operation for six months, the money paid shall be redeemable, by each subscriber, from the Electric Washing Machine Co., in either cash or stock of the Company, at the option of the subscriber. Stock to be of par value of \$10.00 per share.

Four available locations are being considered for the factory but it is thought that the Vaeth lot on Market street is the most desirable.

## Warren G. Harding Inaugurated as The 29th President of The United States.

Warren G. Harding was inaugurated as President and Calvin Coolidge as Vice President of the United States, on Friday, March 4th. President Harding attended the inauguration of Vice-President Coolidge in the Senate Chamber immediately before his own inauguration. The oath of office was administered to the President at 1:18 p. m. by Chief Justice White, of the U. S. Supreme Court, and immediately after his inaugural address he conferred with the Senate which was in executive session and submitted in person the nominations of his ten cabinet officers, all of whom were immediately confirmed.

President Wilson was insistent to the last moment that he would carry out a retiring President's customary part in the inaugural ceremonies, but he finally yielded to the warning of his physician that he might endanger his life and only accompanied his successor to the Capitol, where he remained a few moments, then retired to his private home to become "plain Woodrow Wilson now" as he expressed it.

## For Sale or Trade

Ten good mare mules, 5 years old, well broke. The good kind. Will sell or trade them for a dog if I get the difference. ady T. B. STRAUGHAN.

Andre Oberle visited St. Louis last Sunday.

**Boverie Store Co.**

Dr. Willard, a Professor in the Chicago University, was in Ste. Genevieve last week and while here purchased a tract of land near the Little Saline Creek from Charles Rudloff, for the University. For a number of years Dr. Willard has, during the summer, brought a class of students from the University to the vicinity of the Little Saline, where they would spend a month in studying geological formations. We understand a building will be erected on the land which will be completed before the arrival of the students this summer.

The Ober Oil, Gas, Coal and Minerals Co. have been making better headway with their well the last few days. The hard flint rock and sulphate of iron formation was penetrated last week and the indications are that the drilling will be much faster from now on. They are now drilling with a three foot stroke and a depth of 215 feet was reached Wednesday.

When in need of cut flowers for funerals, weddings, parties or decorative purposes, we will furnish them in any design desired. Prices always reasonable. Phone 159. ady LEO C. BASLER.
